at CleanRun

April 13/14  
2013

## A FEW HIGHLIGHTS ABOUT JULIE

Julie Daniels is one of the foremost names in the sport of dog agility in the United States. She was one of the early champions of the sport and helped many clubs throughout the country get up and running.

In 1993 Julie opened White Mountain Agility, 100 acres of dog agility heaven in North Sandwich, New Hampshire. She developed and teaches the White Mountain Agility Instructor Certification Course, which has honed the skills of hundreds of teachers and thousands of dogs worldwide. She is well known as the premier teacher at all levels of play. She has won at the highest levels, but has always loved teaching beginners. "You can win with the Masters, but you can only change the world with Beginners" is her teaching motto.

Julie is an expert in the art and science of operant training, and her approach works! She loves all dogs, and has won with all sorts of dogs, including two Rottweilers, a Springer Spaniel, a Cairn Terrier, two Corgis, and several Border Collies. She is the only person ever to make the prestigious USDAA Grand Prix national finals with a Rottie or a Springer, and she did it two times each!
