Lines to an Agility Classmate By Pat Allen

Do not heckle, if you please:
Dog agility is no breeze.
Though my dog may run and jump
with ease
I lack my dog's abilities.
For a novice handler is not so agile,
And with ego somewhat fragile-- So
do not heckle, if you please:
Dog agility is no breeze.

Please support Sharon and Gemma's Bark in the park walk in memory of Toby.
